

2018 Conference

Prepare yourselves for a silver-spectacular event in Kansas City, Missouri!

The Westin Kansas City at Crown Center will host
The Movable Book Society's 2018 conference.

We will explore the world of Hallmark— whose visitor's center
is just steps away from our conference hotel.

We will unveil (and make available for sale!)
The Movable Book Society's 25th anniversary commemorative book
A to Z: Marvels in Paper Engineering
featuring the work of twenty-six of our best paper engineers.

And perhaps most importantly: We will be celebrating our 25th anniversary!

Block off the weekend of September 27th-29th,
pack up something silvery (some silver foil, perhaps?),
and get ready for a marvelous pop-up celebration!

Registration information will be available
in early 2018.
