

2016

THE MOVABLE BOOK SOCIETY/THE TICKNOR SOCIETY
PRIZE FOR EMERGING PAPER ENGINEERS

Call for Entries: *Pop-up & Movable Projects*

Entrants must be registered undergraduate or graduate students, or have just completed a course of study in the spring of 2016. Qualifying projects must include pop-up and/or movable structures and must have been created during a course of college study.

The Board of the MBS, plus a representative from the Ticknor Society, will jury from digital submissions.

Entries can include up to 3 images—include at least one full view and one detail view—and must include a descriptive statement of less than 250 words. One or two projects can be submitted for consideration. Images should be sent as jpgs and numbered and labeled with the project's title in the following format: projecttitle1.jpg. Send images and this pdf form via email to: shawnsheehy@gmail.com. Include the descriptive statement in the body of the email. Images should be jpegs at 300 ppi, with one dimension of image being no less than 600 pixels. Provided images will be used for jurying and for possible presentation at the conference.

The winner will receive:

- conference fee waived at the September 2016 MBS conference
- a \$500 stipend to be used for travel and lodgings at the September 2016 MBS conference
- a \$1500.00 cash prize from the Ticknor Society
- a one-year membership to the MBS
- a one-year membership to the Ticknor Society
- public recognition at the 2016 conference
- the opportunity to present at the 2016 conference

Two honorable mentions will also be announced.

Questions? Contact Shawn Sheehy at shawnsheehy@gmail.com

At its 2016 biennial meeting, the Movable Book Society (MBS) will be joining with the Ticknor Society to recognize excellence in paper engineering among registered undergraduate and/or graduate students through a prize for Emerging Paper Engineers.
